STRIVE FOR PERFECTION

Our RentMed range also include the following affordable product options:

-  Hospital/Clinic/Frail Care Beds
-  Fleet Bed Rentals For Facilities
-  Overbed Tables & IV Stands
-  Air Mattress Systems
-  Wheelchairs & Patient Hoists

Customized Fleet Rental options

available to medical facilities to ensure the right combination of products, flexibility, and affordability for their specific environment.

Dedicated Rental Term options

also offer excellent flexible usage to hotels and resorts providing our Homecare beds to their customers who have specific medical needs.

Air Mattress Systems

Air mattress systems are specifically designed for the prevention and management of pressure sores/bed sores and very suitable to palliative care, eldercare and disability care. Pressure care from level 1 to level 4 (High Care)

Wheelchairs

Our Wheelchairs are ideal for palliative care, eldercare, frail care and disability care, and offer increased mobility and assist with patient transfer to and from the bed. RentMed supplies Standard and Heavy Duty Wheelchairs.

Electric Patient Hoist

Electric Patient Hoists are designed to easily transport and lift people with reduced mobility, in bariatric care scenarios, and to do so safely.
